COMMUNICATION

You will receive a call from our birthday party co-ordinator the Monday of the week of your party to get the number of guests, the three game options (four games for a 2 hr party) and the food options as well as any extras you might like. Please note that during the holidays our office hours do change.

SIBLINGS

Siblings of guests are more than welcome to join in the fun, provided that you are happy for them to be there, they are supervised by their parents, do not interfere too much with the party activities and that all costs are covered. The cost for free play on the equipment is \$15.00 per child, and it is up to you whether you are happy to cover the cost, or have the parent of the child pay. Please note that an extra lollie bag will cost \$2 each. Please understand that we usually have party bookings finishing half an hour before or after your party. Our birthday hosts need to be able to clean up between each party and reset. There is no need for you to arrive more than 10 minutes before your allocated time.

CANCELLATION POLICY

Please note if you cancel your party within 48 hours of the party date, your deposit will be forfeited.
